Loop 303 Improvement Project: Mountain View Boulevard to Glendale Avenue

TRAFFIC SWITCH TO NEW NORTHBOUND LANES OCT. 26-28

LOOP 303 WILL BE CLOSED FROM 10 P.M. FRIDAY TO 6 P.M. SUNDAY (OCT. 28)

PROJECT UPDATE

After October 28, crews will switch Loop 303 traffic onto the newly completed northbound lanes, marking the halfway point and a major milestone of the Loop 303 Improvement Project in Suprise.

To facilitate the change, the Loop 303 will be closed between Grand and Glendale avenues from 10 p.m. Friday to 6 p.m. Sunday (Oct. 28). After the traffic switch, work will begin on the southbound lanes of the Loop 303 while traffic uses the northbound lanes for travel in both directions.

DETOUR ROUTE

During the closure, drivers can use Reems Road from Grand Avenue to Glendale Avenue. Officers will be on site to help guide traffic through any four-way stops along Reems Road. Intersections of cross-streets at Loop 303 will remain open.
