

## LOCAL BUSINESS SPOTLIGHT

### Vogue Bistro

Vogue Bistro, a restaurant influenced by French techniques, offers reservations and an opportunity for VIP treatment. This service includes the Chef's weekly specials newsletter, invitations to Vogue VIP events, as well as invitations to wine tasting and more. The restaurant was recently voted as one of the top ten local favorites in the Surprise Retail Survey. Vogue Bistro is located near Marley Park at Waddell Road and Reems Road.

## UNDER CONSTRUCTION

### AZ TECHCELERATOR

The AZ TechCelerator is currently undergoing a renovation. Projects include new flooring, exterior and interior paint, electrical upgrades, fountain restoration, landscaping and a new monument sign. The former city hall complex is a 60,000 square foot, four building campus. The innovative re-use project has sparked success stories like Athena Wireless (recently purchased by Google, Inc.) and MD24 Housecall. Be sure to check out the finished renovations at 12425 W. Bell Road in Fall 2015.

## DEPARTMENT UPDATE

### Community Jobs Board

Surprise businesses have access to a job recruitment resource, Surprise Community Jobs. The Economic Development Department runs the job board found at [www.surpriseaz.gov/communityjobs](http://www.surpriseaz.gov/communityjobs). On the site, users can either post jobs for their own Surprise business or search for job opportunities within the community. All positions are wage-based from licensed Surprise businesses. Connecting Surprise jobs with Surprise residents is a great way to help support the local economy.

## WHY COMPANIES CHOOSE SURPRISE

### TEMPORARY OFFICE SPACE

In order to accommodate business start-up operations, hiring and recruitment, and training needs while the planning and construction of the new facility is underway, the City of Surprise offers interim office space within the AZ TechCelerator. The AZ TechCelerator is a 60,000 square foot city-owned business incubator that offers a unique asset for projects entering the Surprise market.
