10 & Under Tennis- DEVELOPMENT

Our 10 & Under lesson program is for players 7-10 years old. Players will be separated into groups by age and or ability level. Focus will be on basic tennis skills, rallying and having fun! Parents have the option of selecting how many days and what days per week your child will attend. **WEEKLY BONUS CLASS INCLUDED** for all students on Thursdays from 5-6:30pm.

10 & Under Tennis is designed for beginners through low intermediate players. Players in the program are either learning the game for the first time or continuing their skill building and fundamental work. While players will be rallying it is NOT expected at this level that players can rally. Please provide days that you are consistently going to attend. If you need to adjust your attendance schedule advanced notice is appreciated. Must have a minimum of three players registered for each particular day and time.
