LOVE TENNIS? Visit the STRC in February!

Hello STRC Patrons,

February is here and that means roses, boxes of chocolates, valentines and the Surprise Tennis Classic. Ours is one of the longest running 25K tournaments in the nation and our 10th annual event looks to be a phenomenal one at that. This year we have what may be the strongest field of competitors that we have ever hosted with many former tournament champions coming back to seek out the title again and a field of up-and-comers looking to make their own mark in the game. We have a great week of tennis planned and want to see you there. Aside from just coming out and watching, get involved in the running of the event, we always need volunteers to help up in all the day to day duties of running the tournament, so stop by the front desk and see what we have available and how you can be a part of the tournament.

Not only will there be some great tennis being played, we are also hosting a many community programs as well. Pro's from the tour along with STRC staff have clinics planned, prizes for the participants and PIZZA!! Take a look at all the events that come as part of the tournament and join in on this unique event. We hope to see you out there!!

Sports Science Coach, ITF Dev. Coach

Love the game, don't be a hater...

During a match when you are "playing badly", it is important to determine whether it's you or something your opponent is doing. Don't dwell on the negative. Figure it out, adjust accordingly and go for it!
