# FREE Technology Career Training
# For Parents

*Guaranteed job interviews upon completion!*

# Start your career as a Computer Support Specialist in as little as 10 weeks!

**Looking to begin your career in the technology field?** Sign up for our Computer Support Tech Job Training and provide help and advice to people and organizations using computer software or equipment. **This program is FREE for eligible parents\*.**

## Course Description:

**Duration:** 140 hours total, 10 weeks of 4 partial days per week or 20 weeks of 2 partial days per week

In this course, we will cover the **Introduction to IT Concepts**, as well as preparation for the **CompTIA® A+** and **Network+ Certifications**. This program also includes soft skills training, such as resume writing and interviewing.

## Income and Job Outlook:

The median annual wage for computer user support specialists was $52,810 in 2017. Employment is projected to grow 17 percent from 2012 to 2022, faster than the average for all occupations.

## Funding Eligibility Requirements

- Must be 17 years of age or older with a high school diploma or GED
- Must be eligible to work in the United States
- Must be considered the custodial parent, legal guardian, foster parent of a dependent under 13 years of age or an older child with a disability/developmental delay

## Course Prerequisites:

- Basic knowledge of computing concepts, including the difference between hardware and software.
- Basic knowledge of the functions of software components, such as the operating system, applications, and file systems; and the function of a computer network.
- Browse and search for information on the Internet; start up, shut down, and log on to a computer and network; run programs.
- A good understanding in a Windows operating system, or equivalent skills and knowledge, is highly recommended.
