

FTR User Guide

After downloading the Court recordings zip file from surpriseaz.gov/3821, unzip/extract all of the .trm and .trs files from the zipped folder. Visit the FTR Web Player website at <https://www.fortherecord.com/products/ftwebplayer/> to create a free online account, access the FTR Web Player and listen to your selected court recordings.

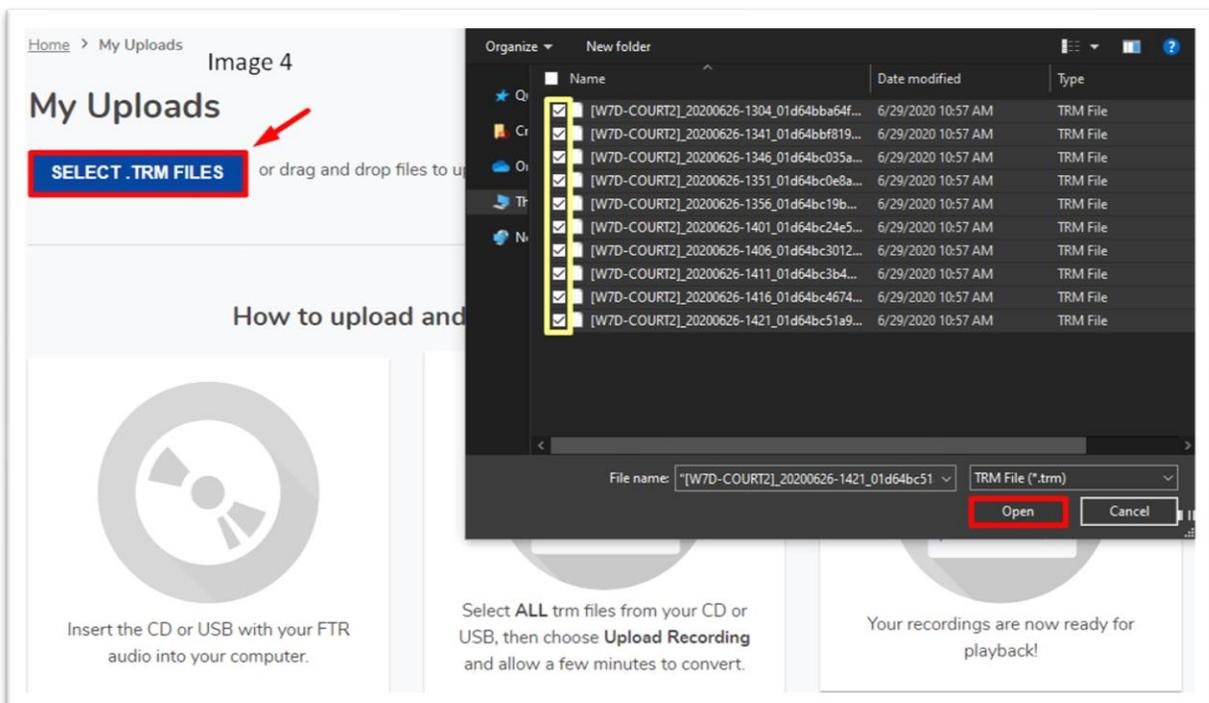

Select “**Login**” from the FTR Web Player home page (image 1). Click the “**Create an Account**” button (image 2) and enter your first name, last name and email to proceed.

Once logged in, select **“Play your own Files”** from the welcome menu (image 3).

Click the **“Select .TRM Files”** button. This will open your computer’s file browser where you will navigate to the .trm and .trs files you unzipped/extracted in step one. Select all of the .trm and .trs files and click **“Open”**. (image 4)

Click the “Upload Recording” button. All files will be uploaded.
