Street Light Improvement District (SLID) Approximate Cost:

**Please note that the information provided is based on average costs established by the City of Surprise and Arizona Public Service (APS). Each street light has a different pole height, mast arm, and lamina that dictates the actual cost. This is only an estimate and the actual cost for the SLID maybe higher or lower. The intent of this financial statement is to allow the owner to understand a rough estimate of the SLID will cost.*

Name of development: Bell West Ranch Parcel 1B

Number of street lights: 5 additional street lights with 110 street lights in the existing SLID

Estimated average cost per year: \$7,588 (Including the existing street lights in the current SLID. Currently \$6,980 is being paid to the existing SLID with only an additional \$608 to cover the 5 additional street lights.)

Number of parcels within the SLID boundary: 156

Average cost per parcel per year: \$48 (The current cost per parcel per year is \$45 for the existing SLID.)

Number of owners within SLID boundary: 243

Number of signatures required to form a SLID: 123
