Street Light Improvement District (SLID) Approximate Cost:

**Please note that the information provided is based on average costs established by the City of Surprise and Arizona Public Service (APS). Each street light has a different pole height, mast arm, and lamina that dictates the actual cost. This is only an estimate. The actual cost for the SLID may be higher or lower. The intent of this information statement is to allow the owner to obtain a rough idea of the SLID cost.*

Name of development: Desert Oasis Parcel 11

Number of street lights: 23

Estimated average cost per 12 months: \$6,250.00

Number of parcels within the SLID boundary: 64

Estimated average cost per parcel per year: \$98

Estimated average cost per parcel per month: \$8.14

Number of owners within SLID boundary: 39

Number of signatures required to form a SLID: 21

23 lights @ \$19 per month per light = \$5,244.00 + 525 (10% reserve) + 480 (admin fee) = \$6,249.00
